

## ATTENTION INTERNET EXPLORER USERS!!

By default, the Order Date feature will not work in Internet Explorer. To change this, click on the settings icon on the upper-right of your screen (circled in red).

About Internet Explorer

Click on  
Compatibility  
View settings

A dialogue box will appear. The box next to “Display intranet sites in Compatibility View” will automatically be checked. Uncheck this box, then click Close.

The dialogue box will disappear. The screen should now appear showing the proper Order Date feature. If it does not, simply refresh the page. Then proceed as normal.
